

Certified UL Control Panel Manufacturer

UNIVERSAL

GRINDER CONTROL PANEL

Smart protection. Automatic jam clearing. Flexible control.

CEJCO's Universal Grinder Control Panel monitors motor current to detect jams, performs automatic jam-clearing cycles, and returns the grinder to service when the condition is cleared.

BUILT FOR SMARTER CONTROL

- **AUTO JAM DETECTION**
Continuous Monitoring and Visualization of Motor Current
- **AUTOMATIC CLEARING**
Configurable Jam-Clearing Cycles
- **TOUCHSCREEN HMI**
Full-Color Operator Interface with Alarming and Trending
- **PLC-BASED CONTROL**
Flexible Configuration of Setpoints and Timers Stored in PLC
- **FLEXIBLE MOTOR RANGE**
0-50A Current Transducer Standard

UL LISTED

USA Made
Custom Controls Panels
are Designed, Assembled,
and Tested in the US

Proudly designed, manufactured & tested in the USA by CEJCO.

CONTROL YOUR PROCESS. PROTECT YOUR EQUIPMENT.

BUILD YOUR PANEL

Choose horsepower, voltage/phase, enclosure and HMI size. Use the part number below when requesting a quote or placing an order.

1. SELECT MOTOR

3 / 5 / 7.5 / 10 HP

2. SELECT POWER

220-240V OR 460-480V

3. SELECT OPTIONS

304SS enclosure / 7" HMI

PART NUMBER	DESCRIPTION	HP	VOLTAGE	PHASE
CA-GC-03-2-1-P-4	CONTROL ARMOR Universal Grinder Control Panel UL508A, 4" HMI, 4X Polycarbonate Enclosure	3	220-240	1
CA-GC-05-2-1-P-4		5	220-240	1
CA-GC-07-2-1-P-4		7.5	220-240	1
CA-GC-10-2-1-P-4		10	220-240	1
CA-GC-03-2-3-P-4	CONTROL ARMOR Universal Grinder Control Panel UL508A, 4" HMI, 4X Polycarbonate Enclosure	3	220-240	3
CA-GC-05-2-3-P-4		5	220-240	3
CA-GC-07-2-3-P-4		7.5	220-240	3
CA-GC-10-2-3-P-4		10	220-240	3
CA-GC-03-4-3-P-4	CONTROL ARMOR Universal Grinder Control Panel UL508A, 4" HMI, 4X Polycarbonate Enclosure	3	460-480	3
CA-GC-05-4-3-P-4		5	460-480	3
CA-GC-07-4-3-P-4		7.5	460-480	3
CA-GC-10-4-3-P-4		10	460-480	3

OPTION ADDERS

+ 304 STAINLESS STEEL 4X ENCLOSURE

+ 7" COLOR HMI

READY TO QUOTE?

Send us the part number for the configuration you need, or contact CEJCO Controls for help selecting the right panel. Custom configurations are available.
